30+  
experience

## OUR HISTORY

Mr. S. Ramesh is a Civil Engineer from Annamalai University, Chidambaram. He started SR Builders in 1990 as proprietary firm, the company was later incorporated as Limited liability partnership firm in 2016. In early twenties, Mr. Ramesh spearheaded the construction of multi-storied commercial spaces all around Chennai. His relentless devotion to customer satisfaction and a continuous quest for world-class quality with excellent track record in construction of mega- commercial spaces has laid the foundation of the company. From humble origins with Strategic leadership the SR Group emerged as one of the fastest growing and most respected companies in construction sector.

As an organization with 70+ professionals as core and true asset we have carved the success story by taking challenging assignments as well as making concrete relationships with clients by timely delivery of the promise. We have earned our customer's confidence and trust with over 200 successfully completed projects.

## VISION

**To Simplify** complexity in execution and create world-class projects on time by adopting advanced construction practices and experience built over three decades.

**To Able** to offer employees internal growth opportunities, depending upon competency and professional interest

**To Contribute** towards social responsibility and nation building through creation of infrastructure.

## VISION

**Preferred choice** : To be customer's preferred choice in providing construction services.

**Better, faster and cheaper service** : Continually innovate, develop and adopt state of the art technologies and methodologies to deliver customer satisfaction through better, faster and cheaper construction services.

**Environment, Health and Safety** : Continually aspire to deliver higher standard of occupational health, and environment protection at work.

**Reputation** : To build a reputation of trust and reliability amongst our customer, suppliers and vendors.
